Gloria, Brooks and Carey. I will remember Adolph as a competitor and a gentleman. I don't recall the results of Carey's curling broom testing program but I expect Adolph on the cat won every time. I also expect Adolph enjoyed the project more than Carey did. Brooks and Carey, enjoy a beverage on me at Boston Pizza this weekend. I wish I could be there to support you. My thoughts and prayers are with you all. Love, Karen Pacholka (nee Saworski)

Gloria, Brooks, Carey and Family:

So many great childhood memories growing up down the road from you! I remember all the evenings and weekends we spent at the curling rink. I always felt special when Adolph would say "How are you doing 'Blondy'? "

It's never easy to lose someone so special in your memories but it's those memories and events that help us become who we are!

Sorry I couldn't be there to support you during this time!

Hugs to you all!

Cindy
