So sorry for your loss Ken and family. Marlene and Olive were always very kind to me as a child growing up next door. They always put up with my numerous trips over to play with Dusty. We always look forward to seeing Marlene around the holiday season when home and we will miss that this year.

I'm so sorry for your loss Ken and Family. I got to know Marlene through Moose Jaw Answering. I was with the Senior Citizens Assistance Program and got her on the line many of times. It was always pleasant to talk with her. I got to know Ken through mutual friends and waved at him many of times on the highway when he was driving truck. RIP Marlene.
