Dear Lori (as well as Susan & Kim, and extended families):

I am so sorry for you in your loss of Kevin. Being what I trust is still a very good friend (even with the passage of time) of Lori, as well as colleague of hers, I was saddened to learn of this family tragedy.

May you find strength in the days ahead from each other, but more so in He who has taken Kevin into His eternal care.

God bless all of you.
