My condolences, Lawrence and Susan, and family. I admired Linda a great deal. She was dedicated to ensuring those she supported had opportunities to fulfill their dreams, whether it be going on a trip, getting a tattoo, or saving for a big purchase. She had a big heart and made this world a better place.

So sorry to hear of Linda's passing. I was an old school friend of hers. I moved out here to BC. We did email back and forth. Her daughter became ill and that was the last I heard from her. She was a good friend to me. I was told by another friend in Moose Jaw about her passing. So very sad. God bless you who are left to mourn.
