Sorry to hear of your passing Len. You were a big part of my life as a teenager. From cruising in the orange dodge to long talks about your idle "Howard Hughs". I have always cherished the memories that were made. There was so many the gang doing the usual Saturday night live hoping Mr. Bill would be on, the grad parties, and who could forget the broken axle on the truck! Well Zeke thanks for the memories and I'll catch you on the flip side♥️
