My sincere condolences to Darlene's family. She was a foot care client of mine for many years and I was very fond of her. I considered her more a friend than a customer. My thoughts are with you all.

I knew Darlene well when she lived in Temple Towers and was a regular Avon customer. She moved and we lost contact. She was fun and liked to dress very nicely. My condolences to family.

I am so sorry to hear about Darlene. I have so many memories as a child of you and your mom and us and our mom being together. Darlene had the most wonderful laugh that instantly brought a smile to your face. I will cherish my many memories of her. I imagine she and mom are together up there now organizing a game of bunko and sharing some laughs. Thinking of all of you today and sending you hugs and condolences.
