We knew Mabel well her mother Alice was married to Craig's Grampa, so we saw lots of them, and of course whenever and wherever we saw Mabel we stopped for a chat. I know she will be missed, thinking of the family

Our sympathy goes out to Mabel's family. We've known Mabel for years, from the time she worked at Fysh's Drugstore through to the years at Folgizan Insurance. She always enjoyed a chat and would want to keep up with friends and family members whenever we saw her. Our condolences to her Folgizan family as well.

I'm so sorry to learn of Mabel's passing. We were probably amongst the last few survivors of King Edward School's graduating class of 1952. Condolences to her family and friends.

I have known Mabel for 60 years, but it wasn't until Bob passed away that we especially bonded as just two old ladies on our own. She was truly thoughtful of others and a lady of class and character while still being strong and independent. She's probably already found someone to do her hair every Saturday! I share her family's grief and send condolences. Specifically, I would like to express my gratitude and condolences to Mabel's Folgizan's family who added quality, purpose and some laughs to her life. Mabel will be missed for a long, long time.

We were deeply saddened to hear of Mabel's passing. She was a close friend of our family for seventy years and she was often regarded as a second mother to our children. We will forever cherish the precious memories that you have left with us. We'll be seeing you.
