Our family is deeply saddened by the news of Jacek passing. He was an old and dear friend that was always

there for me when I needed him. He showed me how beautiful his home country of Poland is and introduced me to many new perspectives on life in general. I deeply regret not being able to attend the funeral today but I was there in heart.

I was very saddened by the news of Jacek's passing. I have many fond memories of his love of music and his quite, reflective nature. Although Jacek was quite, he had a wickedly funny sense of humour. We will all miss our dear friend and we are all glad to have had shared time with him.
