My Dear Son,

Words cannot express the profound sadness and sense of loss I feel since you left us. My son, Matthias, had an incredible impact on the world in the short time he was here. He will always be remembered and cherished by everyone who had the joy of knowing him.Matthias had a big, beautiful, loving, and kind heart. He loved everyone with an unwavering, unconditional kind of love that is rarely found. His love was the kind that persisted through rain or shine, sickness or health, and it was a special brand of love that was uniquely his. Unselfish and unthinking, it was a reflexive goodness that came naturally to him

Matthias had an incredible personality and spirit that brought so much joy and happiness into the world.Matthias had an infectious smile and contagious laugh, this will be missed by many. Rest peacefully Matthias, your absence will be deeply felt by all. He was a beautiful, hardworking man who always put others before himself, much like his father.

Heaven has gained another angel in Matthias, but our hearts ache with the pain of his loss. I wish we could have had him here longer. Gone too soon, he will be sorely missed by his family and all who loved him.Matthias was a beautiful, hardworking man who always put others before himself, His sense of responsibility and caring nature, along with his love for animals and family, made him truly special.

Losing a child is an unbearable tragedy that no parent should ever experience. I will always cherish those special memories we shared, holding them close to my heart forever.

With all my love,
your loving family
