Worked with Diz at CCI. A very nice lady. Still remember the day a brick crashed through the ceiling and landed on

her desk. She kept it for a souvenir.

I had you as one of my teachers at CCI. I don’t ever remember hearing the “brick” story, thank you for sharing that memory of mom.

I worked with Diz at CCI—what a classy lady. She always met us every day with a smile and a word of encouragement if anyone was having a trying day. Yes, the “brick from the roof day” will always stand out!! My sincerest condolences to her family. Rest in peace, Diz.
