Harold Kenneth Rogers

Harold Kenneth Rogers aged 85 years of Avonlea, Saskatchewan, passed away on Friday, November 13th, 2026.

Harold was born on February 10th, 1941, in Regina, Saskatchewan, at the Pasqua Hospital. He grew up in Regina before moving to Saskatoon, SK where he began working at Lambert Electric. It was there that he started his journey toward becoming a Diesel Fuel Injection Mechanic through an apprenticeship.

In 1969, Harold moved to Burnaby, British Columbia, where he met Dorothy Lincoln in 1975. They were married in 1977 and soon began building their life together. Their daughter Margaret was born, and the family later moved to Langley, BC. Two years later, their son Douglas was born. Harold also lovingly adopted Dorothy’s three daughters from her previous marriage: Lynda, Jeannine, and Katherine.

In 1980, Harold took a big step and started his own business, Dynamic Fuel Injection. Through hard work and dedication, he built a successful business that became a big part of his life. Harold and Dorothy spent 34 years living in Langley before eventually moving to Avonlea, Saskatchewan, where they made their home for the past 15 years.

Harold will be deeply missed by his beloved wife of 49 years, Dorothy; as well as all his children, sons-in-law, and his many grandchildren and great-grandchildren.

His memory will live on through the family he loved, the life he built, and the many memories shared with those fortunate enough to know him. He will be dearly missed and forever remembered.

A Private Service will be held to honour Harold. Arrangements are entrusted to Moose Jaw Funeral Home, 268 Mulberry Lane. Shirese Noble Funeral Director 306-693-4550
