We were saddened to learn of Brenda's passing. I worked with Brenda at C.P.R. in Moose Jaw. I remember her with fondness as she kept me laughing whenever our paths crossed. She had an effervescent personality and great sense of humour. Our condolences to all of her family. She will certainly be missed.

I am deeply sorry to hear about Brenda's passing. Just recently she sent me a picture of her two sweet little granddaughters along with the article about Trip's ice rink. I'm struggling to grasp that's she gone. She was a sensitive, kind and caring person. I will miss her. Sincere condolences to the family.

I met Brenda at my hairdressers. I agree with Amanda that her demeanour was happy and would light up a room. I remember complaining about something and she was ready and very willing to help me out even though she had never met me. There are few people like that in the world today.
To Mona you have my deepest condolences. You too are such a

thoughtful, smart person. I guess it must run in your family.

Dear Mona and Family;I am shocked and saddened to be reading about this very special lady. We hung out back in the day, and reconnected in our 30's,so it had been some time. She was a funny, loving caring person who loved her family. Heaven has gained another angel, but finally reunited with her Mom and Dad.It's just like Brenda to still be helping other's even now she's gone ,R.I.P pretty lady, taken much too soon

You were one of my first friends all the way back to kindergarten. I was so saddened to hear of your passing Brenda. You always kept me laughing about the “parking lot”. We will meet again in that park lot in the sky. RIP
