Ken and I are saddened to hear that Lorette had passed away. We loved visiting with Lorette when she made it down to Texas each year. We so enjoyed when she came with Chris and family one year and spent Christmas Day at our home. We played games, ate a lot of food, and had a lot of laughs. We will miss her visits each year. We pray the life time of precious memories will be a blessing and carry you through this difficult time. Gods Blessings..

I was just thinking about Lorette Sunday as I have not heard from her for a while. We have been friends for many years and she was an Avon customer also. With the virus, I could not visit her and missed her so much. We phoned and kept in touch that way. I will miss my friend. RIP.

Condolences to Chris & family and to Larry, Paul, Micheal and Danny & families. Family was always Lorette's #1 priority. I remember Lorette as a delightful spitfire that told it like she saw it! I had not been aware that her health had deteriorated until a chance meeting with a friend a few months ago. Her contributions made the world a better place. Although the PWP group we were a part of has drifted apart, I give many credits to that group's mutual support of our children and for each other as parents that our children continue to make great contributions in the world. I feel a joy in remembering Lorette & how she contributed to the quality of all our lives during those tumultuous years. The loss of Lorette from our PWP family creates a grief that grew out of the joys she created while making the world better for many many others. May you be comforted knowing that we remember her with gratitude. She has earned her halo.

I remember Lorette busting us for our foolish teenage blunders many times Back in the day but we always knew she did it with love and concern. She was a fireball. Our thoughts and prayers are with you all.

Chris and Family

Chris and family...Condolences for your loss of your sister, Lorette. I have kept in touch with Lorette over the years and her last note was that she was experiencing health problems but was coping.

I remember our PWP days and the friendships we shared over the years...Greg and Krista still ask about you, Chris, the best babysitter ever!!

Your Mom was. special person who gave freely to others and loved as a good friend. A star is shining brighter in Heaven!

Take care and a star shines brighter in heaven!!!
