   To all of John's family, our sincere condolences. John was too young to be taken away from his family, however, there will be many special memories to cherish. With our deepest sympathy.

To the family of John, Rob and I send our heartfelt condolences to you. We met John when he moved to Moose Jaw and lived on Thorn Cres. We spent time with him and Lynn and when the girls were born! He was such a nice guy, and so saddened to hear of his passing at such a young age. His girls were his world as I've read many tributes and seen pictures of them together.
