Thinking of you at this time.

He was a great friend and we will truly miss him.

The lake won't be the same, many good times with him over the years from fishing to golfing.

Dear Family, I was so sorry to hear about your dear loved one. Losing someone we love is perhaps the most difficult thing we have to deal with in life. But our Creator tells us at Psalm 34:18 that he is aware of our pain and loss, it says "Jehovah is close to the brokenhearted; He saves those who are crushed in spirit." I hope you find comfort in this.
