Gonna miss my buddy. We shared many short and long talks. We matched wits with each other and I didn't win all of the time. She was always proud of her Metis heritage. Her

first love was her children, then family and friends. She had a great sense of humor. I feel sad for everyone right now because it hurts that she's gone. We had long talks about child welfare, social work in general and counseling. Sure hope to see her again when my day comes.

The world has lost a bright light in Terry's passing. I worked with Terry for a number of years and together, we shared many a tear and tons of laughs. My sincere condolences to her family.
