I am so sad to hear of Carl's passing. Your family will miss you so much. I had to read this 2 times. You were such a tease, I hoped what I was reading was not true. You were Carl's pet bone, the kids school bus driver and my friend and work partner in security. We had so much fun working security. Deepest sympathy to all Carl's family.

I am thinking the service for this Saturday has been changed. Please let me know when the service will be held. It is hard to think of a world without Carl in it. He always had to do things in a big way. I remember his Birthday party at the scout hall years back.
