Lisa, I'm so sorry to read of your Mom's passing. It's very hard to lose our Moms but we were gifted with very special ones and as time goes by it gets easier and all the special times we had and memories we made come to us and make us smile.

So terribly sorry for your loss, although I haven't been in contact with Audrey in a few years, I fondly remember

time with her in and out of school. May your memories give you comfort at this time.

Steven, Lawrence and Lisa, our sincere condolences at this time.

We haven't crossed paths with Audrey for awhile but always had a good visit when we did. As for you guys... I was your babysitter from years ago. You were all pretty special kids to me. Then we all grew up!

Stay close and support each other now. Your mom and dad were both pretty great people and you can be proud of them and each other ! I know , I was the babysitter , remember? Take care ! Blessings
