The Journey Home

There's a path that leads to a turn in the road, and we
each must travel there. Where the Father waits to take us
Home, to a shelter of his care.

Our sincerest Condolences.

Maureen, Corby, Shelaine & families

May you find comfort surrounded by family and friends. And

may Don forever live on in your memories shared.

Don was a special cousin for Bob. When I joined the family, the Stories became special to me, too.

Maureen, you were the best thing ever for Don. He loved you dearly, and I know you felt the same about him!!!
