So many fond memoris of my time spent with you when my family lived in Moose Jaw.
First at Riverview Colligate and later visiting between Winnipeg, my home, and Moose Jaw, yours.
Ken and Paul were so much alike and got along so well, bonding over motorcycles.
Maybe they still are.
I'll miss you, my friend, rest well.

Oh my dear Glenda! So sorry to read this……
Brad, Calista and family, our condolences to all of you. We had many great visits and parties with your mom and dad, when we were close neighbors! So many laughs together! I spoke to her about a year ago….same giggly friend! We laughed about the time she mixed me a most delicious “Goodhost ice tea” about 9pm…..I had to work at 11! After I drank it, she let me know she had added a “titch of rye”!!! We laughed and laughed!! Best ice tea I have ever tasted!
Love you girlfriend! Rest easy and keep laughing!
Glennys and Gerry

Brad and family.

We are so very sorry you have lost your Mom. Your Ontario cousins send you hugs and the hope that your memories of your Mom and Grandmother will help to keep her in your hearts. We know of Glenda as one of the first cousins along with Ken to visit Aunt Elsie when we arrived in Moose Jaw for a visit. She was always a sweet, kind, and gentle lady and we will always remember her as such. I had a long conversation with her after Ken passed away and she spoke of Ken and her family and they were very special to her. We have always held her in high regard. Keep your memories close to your heart and she will always be with you in spirit. Love from Gayle and all your cousins in Ontario.

Just found this. Was wondering what happened. Glenda always kept in touch with the Robinson family. We moved to BC in 73. Grew up with the Harkness family. Always kept in touch but not after Ken passed. Lost touch with Roxine .My heart goes out to to the family. ❤
