To the family Phyllis has left behind, please know how saddened I am to hear of the passing of this wonderful woman. I played ball with Phyllis for many years and Tom was our coach. I have many, many fond memories of both Phyllis and Tom. I'm sure you will all feel a very large void in the place that Phyllis occupied in your hearts and homes. I'll be thinking of you in the days and months ahead. My most sincere condolences.

Always loved when your mom came to Outlook to golf in the ladies tournament with your aunty Angie and I. Had lots of fun and plenty of laughter and man could she drive a golf ball. My deepest sympathy to you all.

We will miss Phyllis on the field and in the dugout. She was an amazing human with a winning smile. I imagine the field, court or course are hopping up there and that she is making sure everyone is in ship shape...
