Sandi, your Dad will be missed. What a lovely, gentle man. Always my favourite caretaker and a great neighbour. I spent a few minutes with him Friday afternoon. Sending much peace to all of you.

Sandi – my condolences to you as I know you will miss your father greatly. I taught at King Edward and really appreciated your father's help. He was a very pleasant man, helpful and kind. His discovery that he had sleep

apnea led me to realize that my husband struggled with the same thing. The CPAP gave my husband many more years. Again, my condolences.

Sandi and family.... I will remember your dad as a great

coach. He was a gentle person and that's what made us love him. He would always stop and chat with you, in his later years, he took the time. He will be sadly missed, but made his time here special to us all. Hugs to you.
