“When I come to the end of the road
And the sun has set for me,
I want no rites in a gloom filled room.
Why cry for a soul set free?
Miss me a little but not too long
And not with your head bowed low,
Remember the love that we once shared,
Miss me...but let me go.
For this is a journey that we all must take
And each must go alone,
It's all a part of the Masters Plan
A step on the road to home.
When you are lonely, and sick at heart,
Go to the friends we know,
And bury your sorrows in doing good deeds,
Miss me...but let me go.”

Arrangements are entrusted to Moose Jaw Funeral Home, 268 Mulberry Lane. Gary McDowell, Funeral Director 306-693-4550

My friend, I will miss you so much. I will miss our conversations, our connection that we have, our long telephone calls. You have been such an awesome friend, you held me up many times and cheered me up and gave me some reasons to carry on. I will always remember your unlimited spirit and the love you had for those less fortunate and the folks around you. Sleep well my friend until we meet at Jesus feet.
