Dorothy wrote a few thoughts about things that meant the most to her: "I have always loved the prairies with the beautiful sunsets, and deep blue skies. The simplicity of farm life (as it used to be) was a special pleasure in spite of all the work. My salvation as a very young girl, and the gradual and continuing growth in the love of the Lord is miraculous for a sinner such as I. I love the beautiful hymns of the church, the worship services, and study of God's Word. Fellowship with God's people is so special. The love of family members is tremendous! The grandchildren are a great joy! I have very special memories of my own childhood as well as of the childhood of each of our 6 children. I praise the Lord for the life He has allowed me to live in this world!" The family wishes to thank the staff at Providence Place for care provided for Dorothy and the support to our family.
