Verla Rebecca Uhrich

Thursday, January 24th 2008, Verla Rebecca Uhrich, passed away at the Moose Jaw Union Hospital. Born March 21st, 1943 in Kincaid, she lived most of her younger years in Chaplin, later moving to Moose Jaw. One of her greatest passions was working at Extendicare as a Special Care Aide and developing friendships with workers and residents alike. Verla was a strong, independent woman with a very loving heart as was proven by her love and compassion for children, her family of residents at Extendicare, and animals. Her love of teasing was only surpassed by her debating skills and witty sense of humor. She will be sadly missed by her sister Judy; brother Daryl(Carol); nephews Darren, Bart, and Shane; niece Cindy, along with her "adopted" children, grandchildren and many friends. Honoring Verla's wishes, there will be no funeral service, but all whose lives she touched will remember her with love.
