activities including spending time with his family and friends. He enjoyed video games online with many people around the world, as well as with family and friends. He also enjoyed painting and drawing pictures, many of which he gave to family and friends. He enjoyed playing basketball on the school team as well as several years of little league baseball. Josh enjoyed many camping and fishing trips with family, as well as swimming lessons at Oro Lake. Josh loved spending time at both grandparent's farms, enjoying many good times with his cousins. Our deepest condolences to Leona and all her family. I read about your loss this morning and had to sit a moment after and wipe away my tears. It is one of the saddest times in life when a mother loses her child, regardless of how old they may be. My thoughts, sadness and tears will certainly be for you and Ron and the rest of the family on Friday. Again our most sincere condolences.
