My mother Shirley Friel (nee Parsons/George deceased, 1979) probably knew Norm best of us all (Jon, Joanne, Mark and Dawn). Mother lived next door to Norm for years on 7th. Though it has been a very long time since I saw Norm I recall that smile his laugh and his humorous short stories about farm life and its foibles. I recall his spouse Joanne, her cheery disposition, and smile. The last I saw of son Val he was wearing rubber boots with mud everywhere and had a smile. One can only provide a sense of remembrance and then condolence to his family with a

measure of great respect to all in times such as these.

My deepest condolences to all of you on the passing of Norm. When I worked at Timothy Eaton's (2005-2007), I met Norm. He always had lots of ideas to make things work more smoothly or to improve in other ways, so many discussions were shared. Sometimes, the discussions became arguments, of course! He was certainly a good, hard-working supporter of that place. Take care, all of you.
