Gertrude Webster

After an amazing 104 year journey, with much of that time enjoying life at home, our mother passed away peacefully on Saturday, August 25th, 2018. She was predeceased by her husband, George; and a daughter in infancy. Gertrude will be lovingly remembered by her children: Barry, Velma, and Darle.

Though her health had declined in later years, never her spirit nor enjoyment of living. She was a wonderful person who will be loved and remembered always. In keeping with Gertrude's wishes, a Private Family Service will be held.
