Lawrance Stuart (Stu) Wenman

Lawrance Stuart (Stu) Wenman of Moose Jaw and formerly of Fort

Qu'Appelle, Saskatchewan passed away on Monday, March 11th, 2019 at the age of 92 years. Stu was born in Lafleche, Saskatchewan on September 9th, 1926. He was predeceased by the love of his life, soul mate, and best friend, Willowe Wenman (August 22nd, 2018); daughter, Janice Wenman (1972); parents, Ivy (1998) and Henry Wenman (1967); brothers: Hank (1986), George (2005) and Bob (2009); step-daughter, Wanda (Gamble) Miller (2015); grandson, Mathew Miller (1982); and son-in-law, Randy Kinnee (2014). Stu is survived by his daughter, Karen (Logan) Eden; step-children: Melvina (Dave) Kinnee, Cheryl Gamble (Joe Legare), Heather (Brad) Senft, Sheila Kinnee, and Erwin (Laura) Gamble; sisters, Dot Tremel and Sylvia Grigg; brother-in-law, Dennis (Kristine) Brown; 15 grandchildren and 27 great-grandchildren; as well as many nieces and nephews. As a young man, Stu worked at the BA Refinery on the east side of Moose Jaw. He earned a 3rd Class Power Engineer (Steam) Certification which helped him secure a position as a civilian employee at the Steam Plant at CFB Moose Jaw. He retired from the plant after 30 years of service. After retirement, Stu moved to Fort Qu'Appelle to be with Willowe. Stu and Willowe kept busy, working side-by-side on a number of jobs – housecleaners, janitors at the high school, and for the majority of three decades as the managers, cleaners, and repair and maintenance persons of the laundromat in Fort Qu'Appelle. Stu and Willowe resided in Fort Qu'Appelle for 32 years before returning to Moose Jaw in 2017 to be closer to family. Stu enjoyed regular trips to Kananaskis country and British Columbia to visit the mountains, South Dakota to see the wild horses and bear country, and daily trips to the local countryside to check-out the wildlife, especially the deer. In the afternoon, Stu would watch Heartland and in the evening he enjoyed watching a movie about horses, the countryside and mountains. Stu loved music and was a skilled guitar player into his 90th year. He also loved strawberry milkshakes, waffles and chocolate. **In keeping with the family's wishes, a Private Family Graveside Service will be held at Sunset Cemetery in Moose Jaw, SK.** Arrangements are entrusted to Moose Jaw Funeral Home, 268 Mulberry Lane. James Murdock, Funeral Director 306-693-4550.

It is sad to hear the death of a fine person , also to know he was a fine steam engineer. I person know the trade. Also I personally want to offer my sincere sympathy to family, and some fine encouragement to comfort the family as mentioned in the Bible at John 5: 28,29. Your Fellow engineer James.

Karen,

Hi Karen, this is your cousin Brenda, daughter of Dorothy Tremel. I have mom out here in Kelowna for a visit and we are saddened to hear about the passing of your dad. As much as mom would like to be there for the funeral she will not be able to make the trip to Moose Jaw, but instead sends her love to you and family, as well as Willow's family. With all our hearts we offer sympathy and wishes for better days ahead.
