Jackie was an amazing friend to my mom(Carolyn Murray). Worked together for awhile and made a huge difference in her life always making her smile and asking about us kids and our kids. When my mom passed away she was one of the few who stayed in touch. She will be missed. Condolences from our entire family.

Ron & Carol: So sad to hear of Jackie's passing. She was always such a nice "little" girl while we lived in Estevan. One year she was Steve's prayer pal from Sunday School. I haven't seen her for quite a few years, but I know you will miss her. Much love and prayers to all of you. Love Jean Goertz, Surrey, BC.

I came into contact with Jackie after many years when I was visiting a friend at church in Moose Jaw. She was very friendly and I remember her from Estevan as a child. She loved the Lord and was an example to many. Please accept my condolences.

I am so sad for the family, but so happy she walked with Jesus in this life. She was a light to all who encountered her; a testimony of his grace and love. To all who belong to Christ our reunion will be sweet.

A loving embrace to all my Barbour cousins.
