LAUN CAMERON WILBY

(A.K.A. Superman)

October 20th, 1971 – June 20th, 2024

It is with great sadness that the family of Laun Cameron Wilby announces his passing on Thursday, June 20th, 2024, at the age of 52 years. Laun will be lovingly remembered by his wife, Tracey Lamont; daughter, Ellena Wilby (Ken and Ethan); stepson, Mason Blatz; parents, Diana (Dee) Wilby and Warren Wilby; brother, Christopher Wilby; niece, Calynda; nephew, Kaiden; and his dog Kurt.

Laun's philosophy in life was service, service to family, friends, and community. He had a greatness of heart and keenness of empathy that allowed him to effortlessly find

solutions to problems you didn't realize you had. Before a problem had become a problem Laun was at work providing a solution. Sometimes the problem was you hadn't had a good laugh in a while. He really loved a good joke, a good prank, a good smile and getting everyone in on his pranks made it all the better. Smiles all 'round.

Laun spent much of his time working to improve life for his family and community. Whether he was making improvements around the house and yard, volunteering as a ski instructor for the Special Olympics, or helping at soup kitchens and Meals on Wheels, Laun could always be found making life just a bit better for someone.

Laun had a passion for martial arts, music, pickle ball, squash, and tennis. He loved to golf and travel abroad. He was always ready to spend time with friends and family, and always had stories to share.

A Celebration of Laun's Life will be held on Thursday, July 4th, 2024 at 2:00 p.m. at Moose Jaw Funeral Home with Celebrant Dave Foley officiating. Those not able to attend may view the service virtually by going to www.moosejawfuneralhome.com/-webcast/. In lieu of flowers donations in Laun's name may be made to your local food bank. Arrangements are entrusted to Moose Jaw Funeral Home, 268 Mulberry Lane. Gary McDowell, Funeral Director 306-693-4550

Tracey, Christopher, Ellena and Family. I am so sorry for your loss, Laun will be missed by many including myself. I have so many fond happy memories of time spent with Laun over the years both at work and as friends. Laughter, jokes and pranks, important events in both our lives, chess games that I rarely won, being his accomplice in more than a few work pranks. We had a common love for the

car business, we spent hours discussing, debating and had the odd argument. He was a good car guy as they say and had a great understanding and passion for the business. Laun was a true friend and confidant and I will miss him dearly.

Friends and family of Laun,

I'm so sorry to hear Laun passed away. My condolences.

Laun was such a big part of my childhood. As next door neighbours for like 10 years? on Westcott Bay there were so many times we played together, with the other kids or just the two of us. Sleepovers, laughing, birthday parties, imagination based games, hide and seek on the block, bike riding adventures, etc. Laun was always kind to me. Such a decent, gentle dude.

While we lost touch as adults when we both moved in different directions, he always phoned or sent me an email on my birthday (like without fail for some 30 years). Even though it was a pain in the ass because I'm not on social media.

Nothing seemed to change Laun's path of kindness. He smiled through it all.

You were a good friend Laun. I don't know what happened to you but I know you'll be dearly missed by the people in your life. I hope the universe takes it easy on you...because you deserve the best.

Thanks for the kindness.

Thanks for being my friend.

See you on the other side,
Paul Palidwar

I grew up with Laun on Westcott Bay in Brandon. We spent a lot of time together as kids. Man it's so hard to believe he's gone. I remember playing hide and seek, tag, playing on swing sets. I even have a photo of Laun doing my hair! He was a gentle soul. His Mom and my Mom were good friends and I remember them hanging out at our pool. Life good back then with our neighbour hood games and events! You will be missed Laun RIP

Laun played an integral role during one of the hardest chapters of my life. He was a mentor in the car business, and had a hand in my future success in sales. He believed in me when I didn't believe in myself. He loved his shenanigans to say the least, but he was the ultimate teddy bear. He is greatly missed. Incredibly. But he is

for more greatly remembered for how he touched people's lives in his way. My thoughts and sincerest condolences.
