So sorry to hear of Wade’s passing. We haven’t seen him much over the years since high school but he was always such a nice, cheerful guy. Enjoyed a good laugh and always open to a conversation. Rick and Tracey Gardner

I’m so sorry to hear about Wade’s passing.

I just found out as I was thinking about him and how we lost track of each other decades ago. I then searched and, very sadly, found this.

I met him when I also attended SIAST in Moose Jaw(back then in the early to mid eighties we called it STI).

I considered him a friend and would have loved to have reconnected and had him back in my life again.

Finding this out, and so late, puts such a dark cloud over

me.
