Oh my this is the first I've read of this. So sorry for your loss, I know it's been a few years but I have to pay my respects.

Brian was always smiling, I remember him and me teasing eachother while her be picking Devin up from school, I really liked Brian (Mr Wilson) me and Devin were incredibly close and his passing left me shook. Brian was a great Dad, always wanted to be around his family. I still remember when Devin moved just up the block from me, Brian just had an elevator put in so he could spend more time with Devin. I wish nothing but the best for Brett and his mother.
