Marg, my deepest sympathies on the passing of Mike. Both of you were a big part of my time as Administrator at the Senior Centre: your positive attitudes and energy that led to lots of smiles and endless support for the success of our events. I wish you and your family peace and strength. Take care.

Funny how a person forgets his past then there it is back in your thoughts. I meet your dad one summer when I was a student who was hired for the summer at the mill on Manitoba st . He was a mentor he took an interest in me which was very much appreciated I was a boy working in a mans world. He was a very nice man he could joke around but when it came to work he taught me that work comes first and play later. Sorry for your loss Greg Nicholls.

My deep condolences to you, Marg, and your family. You and Mike were the best friends and neighbours anyone could ask

for, and our families go back a very long time –to the beginning! I remember wondering how Mike made all those radios work. He was a wonderful guy. Thank you both for your great memories. Marley sends her love!

Marg and Family,
I last saw Mike at the Sukanen Museum Threshing Bee last year and we met in the building with radios where we were standing and listening to the Rider Game! We chatted and he said he Missed his friend Robin! I am sorry to hear of his
passing but know the buds are happy to see each other!
Take care and Big Hug,
Joan Lunde
